

MAGIC MOMENTS

BABIES, TOTS & TODDLERS PROGRAMME

Our specialised babies, tots and toddlers programme ensures that through exploration, play, songs, challenges and water safe practices, each child is given every opportunity to develop their full potential.

Our Magic Moments team is dynamic, vibrant and well trained. We recognise that the parent is the most important person when it comes to educating their precious little ones. We are committed to working with you to develop safe, competent and confident swimmers.
